

# WIAC GRANT OPPORTUNITIES

## Water Infrastructure Advisory Council

Jen Adkins, Director  
Clean Water Supply  
[jadkins@americanrivers.org](mailto:jadkins@americanrivers.org)

**American Rivers**  
RIVERS CONNECT US®

A young girl with dark hair, wearing a white long-sleeved shirt, denim shorts, and colorful sneakers, is crouching on a large rock in a river. She is smiling and looking towards the camera while holding water in her hands, with a small stream of water dripping from her fingers into the water below. The background shows a calm river with large rocks, lush green vegetation, and a forested hillside under a clear sky.
